The products listed above will not have a Certificate of Analysis and are not approved for human use or direct food contact. These products meet published Cargill specifications for every shipment. Feed Grade Salt will have a corresponding lot code or Date of Manufacture printed on the packaging. All products and raw materials are fully traceable and are included in our mock recall program. Products are tested on a risk based frequency to ensure compliance with Regulatory and Cargill specifications.

Claims: *The labeling, substantiation and decision making of all claims for your products is your responsibility. We recommend you consult regulatory and legal advisors familiar with all applicable laws, rules and regulations prior to making labeling and claims decisions for your products.*
